

**MAKE LITERACY A
SIGNIFICANT PART OF
BLACK HISTORY MONTH**

Hosting a Read-In can be as simple as sharing a book with students or with family and friends, or as elaborate as a public reading that highlights African American authors.

The National African American Read-In is the nation's first and oldest event dedicated to diversity in literature.

This initiative has reached more than 5.5 million participants around the world.

The Asbury Park Senior Center will be hosting a Read-In February 24, 2017 in we are looking for African American Authors from our community to come join us. Please contact me at jennifer.rice@cityofasburypark.com if you would like to be a featured speaker for that day.
