## The Asbury Park Police Department is issuing a friendly reminder to secure your vehicles.

The Asbury Park Police Department wants to help keep the community from being victimized by opportunistic criminals. Officials discourage leaving any valuable items visible in cars and ask car owners to lock all doors. Don't be a target! Do not leave items visible like GPS units, cell phones, laptops or any other small electronics inside your car. If you must leave items in your car, store them in the trunk so they are not visible. Lock your doors and glove compartment and arm anti-theft devices such as your car alarm. Try to park in well-lit parking areas so a potential thief could be seen if attempting to get into your car. Never leave keys inside your vehicle, even if they cannot be seen.

*Thank you and have a safe and enjoyable summer!*
