CITY OF ASBURY PARK LEAF COLLECTION PROGRAM STARTS 10/15/18

10/3/18 – The City of Asbury Park’s free 11-week fall leaf-collection program starts on Monday, 10/15/18, and will run through 12/31/18.

Residents are asked to place leaves, either in biodegradable leaf bags or in loose leaf piles, curbside, and to leave a 6-inch gap between the leaf piles and the curb to allow storm water to flow through. Leaves will be picked up weekly during the 11 week period.

Leaf piles should not be placed within 10 feet of storm inlets, and leaves should not be raked into the street, as gutters and storm sewers can become blocked causing localized flooding during moderate-to-heavy rainfall.

Branches, grass clippings, dirt or brush should not be included in leaf piles. These items can clog and damage equipment, as well as injure workers. Please note that leaf piles including these items will not be picked up.

For questions, visit www.cityofasburypark.com/dpw or call 732-775-0900.
