2. Meeting called to order at 7:01 PM and Flag Salute led by Gail Rosewater

3. Reading of the Open Public Meeting Act by Gail

4. Approval of last Meetings Minutes: December 2019

Correction – Jim H moved to adjourn/ Gail second (not Doug)  
Ed moved, Keith seconded, all in favor with one correction. Minutes approved. Corrected minutes will be sent by Gail to municipalities to post on website.

5. Open Public Portion

Peter Avakian, Engineer, Neptune Planning Board was not able to attend. A small meeting for review of Ocean Grove North End Redevelopment stormwater management plan will be held before next meeting with Peter and two members. No interest or motion for special meeting of Commission to discuss this was expressed. Eileen indicated to Gail via email she spoke with the new AP City Manager to inform her of the North End Development in OG.

Member of the Public – Ernest G. Mignoli

Lives in 400 Deal Lake Drive, Asbury Park (Santander Building).  
Engineers are the main speakers at meetings and generally working for the developers. Ocean Grove North End Development project will have an effect on all in the area. Will create chaos in both Asbury and Ocean Grove. All of the lakes in Asbury and Ocean Grove need to be protected. Thom McCann building did not meet code regarding asbestos and dangerous debris.

6. Standard Reports

Reappointments: Gail reported that Eileen Chapman indicated via email that Asbury Park appointments will be made for one year even though our Agreement of Charter say three years. To be revisited in 2021.
