Virtual Meeting Minutes

Zoom Meeting

In attendance:

Michele Alonso
Irina Gasparyan
Derek Minno Bloom
Joe Grillo
Kathleen Mumma
Diana Pittet
Jen Kosakowski

1. Waterfront Subcommittee Updates

- a. Beach cans- they're on council agenda to purchase @ tomorrows mtg, will have an announcement in spring newsletter that goes out w property taxes
- b. Cigarette bins- may be an option to have Surfrider be the intermediary to purchase the ballot bins.

2. Recycling Education Outreach

Possible ideas- for grants take a look @ ideas, municipal composting- give out bins to residents. Carting service, but maybe more difficult to get approval for the carting since it would only be a one time grant & would stop after one year.

Lawrenceville & Princeton- look @ what they did. If municipal expense no support. Will send out the grant info, ask everyone to come up with any other ideas to apply for the grants.

Joe- Maybe education campaign to restaurants in town? Think would set us apart from usual grant applications. Residential & commercial education program for composting.

- a. Materials – maybe can get aptv to do filming with Yvonne and dianna to do some recycling education

3. 2021 Green Expo

Got confirmation for EV @ expo date confirmed for Oct. 2

Joe – would like to get schools involved

Derek- would like to get boys & girls club to do something, maybe perform; maybe get a large name speaker to attract more people. Get youth to perform or do talent show

Diana- food not bombs, new kula café, giveaway seeds, food, etc.

Joe- maybe get an energy company to show

- a. Committees/Volunteers

4. Public Comment

none
