1. Green Expo 2020 Reorganization
  - a. New date- TBA depending on loosening of state restrictions. Will officially cancel June 13 date. If we can have in-person, can do the giveaway portion/grab bags in park or Trinity. Will have to wait to find out status.
  - b. Event ideas- members not in favor of drive-by event. Instead, hold several virtual sessions in month of August w/ speakers & demonstrations. Get school district involved or do book readings w/ library or book co-op.
  - c. Organization/planning- Sara-contact all event participants to let them know. All speakers- to ask if interested in doing virtual presentations. Derek- contact ESTC to see if can do tree/plant giveaways.
2. Business Plastic bag ban window stickers-updates: Diana- will reach out to Sonia/biz committee to get final sticker approval & send to print.
3. Beach recycling/trash/water dispensers-updates: water dispensers installed! unfortunately, are blocked off for the time being due to Covid concerns. Recycling containers are ordered & going on the beach with a cover, as well as multiple mini trash pickups throughout the day.

4. Plastic straw ban initiative: on hold for now due to current state.
5. Upcoming green events/initiatives: Green energy aggregation (RGEA)-  
Bradley bch will also join. Derek will write 1 pg letter to council  
explaining the initiative.  
World Oceans Day-Sara will send out link to activity on June 6.
6. Public Comment: none
