Agenda & Discussion

1. Discussed locations for meetings for the rest of the year.
2. Trudy gave background on initial pride in the park event to create an event involving people of all ages in the city. She observed that a high school student came up with the winning artwork that became the logo of our committee. Ilene asked we could do this event again.
3. Kareen gave background on why various locations were chosen to host our meetings. It is an attempt to make ourselves available to all four quadrants of the cit. This way we could be a conduit of information, as well as a resource to bring back concerns to the city.
4. Trish asked if
5. Guest said that if we want the public to know, there should be more information about this and others. Nixle is not updating when there are big police actions with yellow tape, or when crimes happen. The police is supposed to keep it updated, but does not. However nearby municipalities do keep it updated. He thinks that we need a more meticulous approach to. He suggests giving people a way to anonymously report problems especially when it comes to crimes. Encouraged him to . Suggested to reach out to the coaster to publish a snapshot of our meetings. Joanne Pappiani .
6. Kareen to contact Norman and Melanie regarding securing our offsite meeting locations.

7. Trudy says that people don't have to be standing committee members. We should do an event in October even if modest.
