DISCUSSION

Station Manager Nate McCallister – City Council Presentation honoring APTV for winning five JAG Awards has been postponed from Sept. 28 to October so all involved can attend.

Resident Rita Marano called to complain about programming on APTV. Nate will follow up.

APTV Tech Nicole Amatucci will begin working on Friday to assist Nate in the office.

New PTZ cameras will be installed in the Council Chambers, replacing one that's defective and adding a 3rd camera to the room. Its position has not been determined.

The APTV office has ongoing A/C issues which are being checked.

APTV will begin airing a new installment of "Facts & Issues" from the League of Women Voters of Monmouth County.

APTV has been asked to videotape a candidate's forum on October 10, Sponsored by the Complete Streets Coalition and moderated by the LWV.

Jersey Access Group – Ed Salvas said the group will return from summer hiatus September 28 with a possible in person meeting. The JAG Newsletter is now online at www.JAGonline.org.

OLD BUSINESS

A new APTV Volunteer will be asked to produce a short feature on Deal Lake, the third of the series following Wesley Lake and Sunset Lake.

The boardwalk camera on order and will be placed on a light pole at 1st Ave. It will provide a panoramic view to allow the Beach Dept. to monitor the area, especially on off hours.

NEW BUSINESS

Nate McCallister will miss the October meeting on the 19th
